

## **2011-2012 Proposed Bus Rosters**

The following are the planned routes and stops for district school buses for the 2011-2012 school year. During the course of the school year the listed stops may change but the overall route will remain the same. Please note that all times listed are approximate and may vary from day to day.

Questions concerning the bus routes should be directed to Mr. Steven Rupert, Board Secretary/Business Manager at (570) 547-1608 extension 124. If you are calling about a possible new stop it is helpful to first obtain the names of other children/neighbors close by.

Bus transportation provided by the district is a privilege and if abused by the students this privilege can be taken away. The school bus driver is authorized to enforce safety and social standards on the bus in accordance with the Pennsylvania School Code and the Transportation Policy of the Montgomery Area School District.

If a discipline problem exists with a youngster while riding the school bus, the principal will attempt to contact the parents. Riding privileges may be suspended by principals for students demonstrating unacceptable behavior while riding the school bus. If parents have complaints or questions, the following guide will indicate the contact people. All school officials may be reached at the district number: 547-1608.

**Discipline Problems: Grades K-5 - Mrs. Karen Snyder,**

**Elementary Principal, ext. 127.**

**Grades 6-12 - Mr. Michael Prowant,**

**MS/HS Principal, ext. 112**

**Route information, driver complaint, safety concern -**

**Mr. Steven Rupert, Business Mgr, ext.**

**General policy questions, request for hearing or appeal of decisions:  
Mrs. Daphne Ross, Superintendent, ext. 122.**
