Acceptable Use Policy Staff & Student Form

The Montgomery Area School District recognizes that its staff and students have a wide range of needs and requirements in technology. Internet and internal network access provides a relatively unrestricted and flexible means to meet those needs and requirements. To this end, the district relies on the integrity of the user to follow the guidelines of the Acceptable Use of the Internet Policy (#815).

The signature below means that the student/parent/employee has read and agreed to the Acceptable Use of the Internet Policy (#815) for the Montgomery Area School District and understand its contents. Any questions about the policy and the computer system have been answered by the administration and/or the technology staff.

Staff or Student Name (please print): _____

Staff or Student Signature: _____

Date: _____

If the permission is for a minor student, a parent needs to complete and sign the following:

_____ I want my child in grade ____ to have access to the Internet

_____ I do **not** want my child in grade ____ to have access to the internet.

Parent Signature _____

Please contact the building office if you have any questions.
