

What best describes you

GUIDING PRINCIPLES

1. The design and location of educational facilities will be the result of a comprehensive planning process, with expenditures aligned with our financial resources.
2. The educational facilities will provide a comfortable, stimulating learning environment that is conducive to collaboration, meets the diverse learning styles of individual students, and supports an equal educational opportunity for all.
3. The educational facilities will respond to current, and future information, communication and technology needs that will empower staff to deliver a high quality rigorous instructional program blended for the needs of all students.
4. The educational facilities will support community use and educational partnerships with local business and industry.

GUIDING PRINCIPLES

5. The educational facilities will be inspirational in design features that cultivate the critical thinking, communication, collaboration and creativity of our students.

6. The educational facilities will allow space to encourage academic, athletic and social/emotional growth of our students.

7. The District facilities will be adaptable to future demographic, educational, and community needs.

Which Guiding Principles are important to you?

Rank the following district's facility needs in order of importance.

Is proper separation of elementary and Jr/Sr High School students needed?

Is it beneficial for the Jr/Sr High School students to be located with the Athletic Facilities?
